

Please request the following **INFORMATION (?? = fill in)** from Your Carrier. This Information has **NOTHING** to do with the Phone Model, this is information the Carrier **must have and give to you**. If the Carrier refuses so, please contact the manager and complain.

The silly excuse many carriers give their paying customers : " We do not support such a Phone" , is pure nonsense , again the information below has **NOTHING** to do with a specific Phone Model.

1.) **GPRS Settings – Data Account**

<b>Account Name</b>	<b>?? or GPRS ( Carrier Name)</b>
<b>APN</b>	<b>??</b>
<b>User Name</b>	<b>??</b>
<b>Password</b>	<b>??</b>
<b>Auth. type</b>	<b>Select Normal / secure (Default = normal)</b>

1.a.) **MMS Settings – Data Account**
