

Please request the following **INFORMATION (?? = fill in)** from Your Carrier. This Information has **NOTHING** to do with the Phone Model, this is information the Carrier **must have and give to you**. If the Carrier refuses so, please contact the manager and complain. The silly excuse many carriers give their paying customers : " We do not support such a Phone" , is pure nonsense , again the information below has **NOTHING** to do with a specific Phone Model.

1.) GPRS Settings – Data Account		Corresponding NEOI set up Screen										
<table border="1"> <tr> <td>Account Name</td> <td>?? or GPRS (Carrier Name)</td> </tr> <tr> <td>APN</td> <td>??</td> </tr> <tr> <td>User Name</td> <td>??</td> </tr> <tr> <td>Password</td> <td>??</td> </tr> <tr> <td>Auth. type</td> <td>Select Normal / secure (Default = normal)</td> </tr> </table>	Account Name	?? or GPRS (Carrier Name)	APN	??
