Dear Customer,

Thank You very much for Your purchase of the Neoi mMail license

- 1.) Please download attached file to the SD Card of your Mobile Phone.
- 2.) Then Install the Software from your SD Card to Your Phone GO TO Menu > Folders > Memory Card > find the Software file mmail3 you just downloaded to Your SD card > Click on Install and follow instructions
- 3.) Once Installed reset ( Power OFF ? ON ) Your Phone, then go to the Java functions ( 5 Way selector down ) ( or MENUE >> Fun & Games >>> Java >> Mmail3 ) and click on mMail3 > go to Network Profile

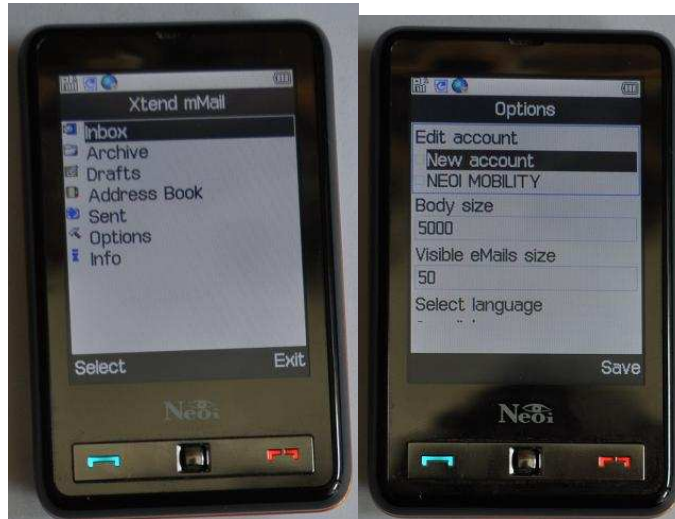

- 4.) Select Profile mode to User Specific , then select the Java network > Select the GPRS Network of the operator of Your SIM Card (Note: You must have set up GPRS and WAP on Your Mobile Phone) > OK

- 5.) Go to Launch > OK The email application will load

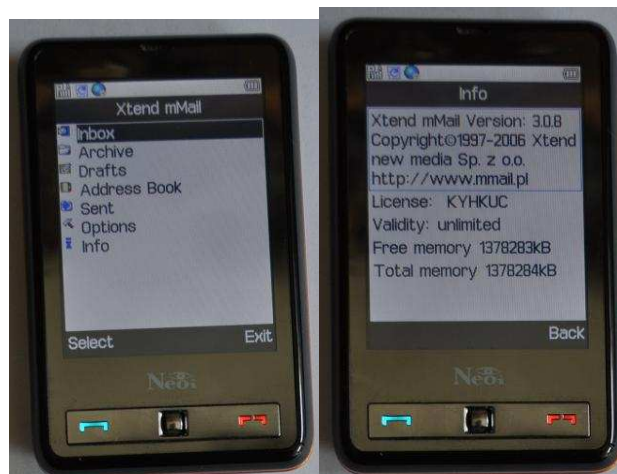

- 6.) Go to options and set up Your eMail account. You can set up several different ( pop3 / smtp ) accounts!

- 7.) After setting up your email account go to Inbox and connect

- 8.) After first connection go Back to main menu and click on INFO. You will find the **Temporarily License Number: please send this License Number and the IMEI number of Your phone ( located under the Battery ) by email to: [service@neoi-technology.com](mailto:service@neoi-technology.com) for verification and validation!**

- 9.) **The Service will activate Your License within 24 hours.**

- 10.) Please NOTE, the license is NOT transferrable to another phone or user once it has been verified. If you re-install the software to another phone, this license will not be valid anymore, and you have to go thru the same process and notify us again for re-validation.
